UNIONIST MEETINGS IN GLENMORISTON.

DR A. D. MACKINNON, C.M.G., the prospective Unionist candidate in Inverness-shire, has been visiting Glenmoriston during the present week, meeting with the electors individually, and speaking to them in public assemblies. The meeting at Dundreggan was presided over by Mr Grant of Glenormiston. Dr Mackinnon, in a lengthy speech, dealt with two measures which directly affected the electors in the Highlands—the National Insurance Act and the Small Landholders Act. He also discussed the Home Rule Bill, now before Parliament, and after answering some questions, he was awarded a hearty vote of thanks. Dr Mackinnon also addressed a meeting in the reading-room at Invermoriston, at which Mr P. Macdonald, piermaster, occupied the chair. In dealing with the burning political questions, the speaker had an attentive and appreciative hearing; and he was heartily thanked at the close of the proceedings.
